A Fennec Fox In Front Of Sand Dunes by MIT_Aqua

Monday news!

Top news:

We went apple picking on sunday. It was REALLY fun and we got a lot of apples. Did you see the front page of our website? If you didn't, go see it. It has a list of fun stuff! It was also in the last weekly. So yeah. Have fun!

Tuesday news!

Top news:

Today, me and Vicini are swapping outschool places! I'm doing creative thinking, and Vicini's doing chess. (We actually didn't do that, because we didn't tell them ahead of time) We also made 2 apple pies! TWO! We have a lot of apples.

Wednesday

news

Another day of school...

We got to watch a little bit of Age Of Ultron. It's a marvel movie. We also did drawing class in the evening

Thursday news

Vicini and Aqua_Cookie went to music school.

MIT_Aqua told mum the story of Wings Of Fire while she was making dinner. We watched Age of Ultron and got a chocolate cake from our neighbor. We ate it! It was delicious.

Friday news!

Top news

We finished Age of ultron! It was EPIC! It was a remote day. We didn't go to school in person. Well, BYE!

No school today. What do I do...

Don't Touch! most venomous animals

1. Blue ringed octopus Looks like this:

SUPER venomous one of these can kill 10,000 lions (predict)

2. Terebilis looks like this:

has enough poison to kill 20,000 mice!

3. saw-scaled viper looks like this:

is the most venomous snake, might not be able to kill the king cobra in a single strike.

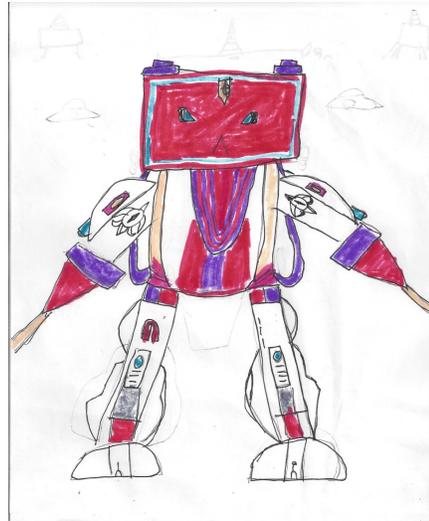

= ÷ - Board game frenzy! + x =

(math game)

#of players: 2-6

You need:

- 1. Flash cards**
- 2. A board with many +points -points steal points ETC. (the board must be very big)**
- 3. A piece to represent you in the game**
- 4. Your brain ;)**

Where is my buddy to play math game with? Oh Vicini didn't color him. //epic sad music

How to play:

- 1. Pick your operation**
- 2. Set a limit**
- 3. Pick two cards and do your operation with them**
- 4. Move the answer spaces. If you have room, you can go backwards (you cannot go backwards at the beginning of the game)**
- 5. Whoever reaches the limit first win**

Scientific Facts!

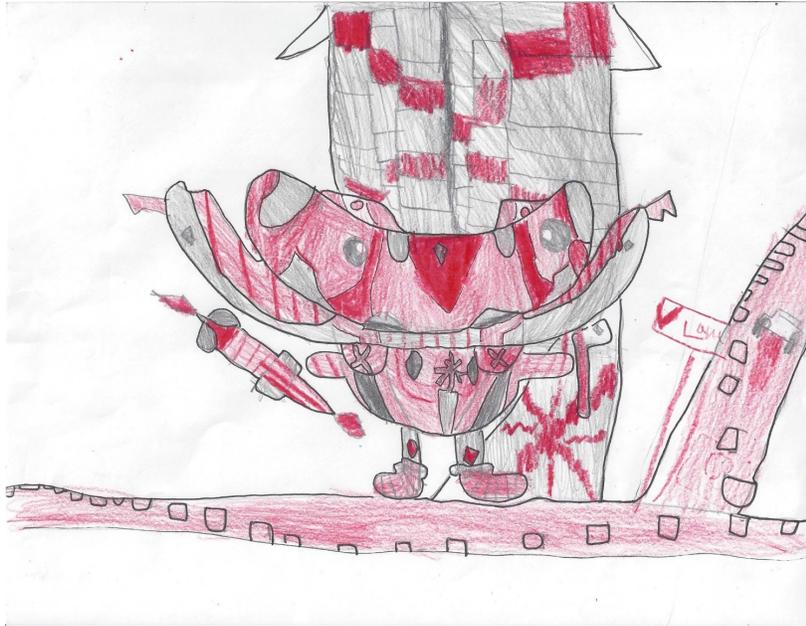

By Aqua_Cookie

Generated by the wonders
of the world

1. Babies have More than 100 bones than adults
2. Some metals can be so reactive, they explode at contact with water
3. The wind in antarctica is so strong it can go 185 miles per hour. That is as three times faster than pops drives.
4. Candy is one of the main foods in antarctica for visitors

Take me to antarctica...
